## 2024 TOURNAMENT BENEFICIARIES

### BON SECOURS RICHMOND HEALTHCARE FOUNDATION

#### Southside Medical Center Good Help Fund

This fund supports patients with unforeseen needs.

#### Violence Response Team

Forensic nurses and victim advocates help patients of all ages in cases of sexual assault, human trafficking, and child and elder abuse. The team helps victims begin healing and plays a vital role in the justice system. They also train other nurses across the region and provide community education to increase support and expertise for victims of violence.

### JAMES HOUSE

This organization helps victims of sexual violence, domestic violence, and stalking in the Greater Tri-Cities Region. As part of a state-wide network of accredited shelters, James House provides emergency shelter for those in danger of domestic violence and sexual violence. Caseworkers assist with: safe, stable housing, access to food and clothing, applying for benefits, conducting a job search, accessing health care, educational services, safety planning, and more. Services are trauma-informed, cost-free, confidential, and available in English and Spanish.
