## 2025 TOURNAMENT BENEFICIARY

### CHESTERFIELD FOOD BANK OUTREACH CENTER

Homebase is proud to support the Chesterfield Food Bank Outreach Center (CFBOC) as our 2025 tournament beneficiary. Established in 2010, CFBOC is passionate about their vision to nourish and strengthen our community. Many in our community fall through the gaps in aid programs offered by the county and other organizations. As a result, CFBOC is dedicated to providing additional support to curb hunger for kids, families, individuals, and seniors.

CFBOC seeks to tackle the root causes of hunger to empower lives. Their mission is about feeding those in need and empowering individuals and families to overcome the root causes of food insecurity. By addressing the underlying issues, they can create sustainable change that ripples the entire community. Learn more at [www.cfboc.org](http://www.cfboc.org).
