ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period.. For all accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date which is set forth in the Rate Schedule.

For 5 Star Checking accounts, you will earn dividends on your account if you meet the following minimum service

requirements during the calendar month: a) have cumulative payroll direct deposits of at least \$200.00 into your account via ACH; b) have at least 2 bill pay or automatic ACH withdrawals from your account; c) have at least 12 signature or PIN-based debit card transactions in amounts, with a minimum of \$5.00 per transaction; (ATM withdrawals and cash advances are excluded) d) be registered for online banking; and e) be enrolled in e-statements. If you do not meet all of these requirements during a calendar month, dividends will not be paid for that period. However, your account will automatically earn dividends for the first calendar month after the account is opened regardless of whether all minimum service requirements are met.

2. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting of dividends and dividend period applicable to each account are set forth in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, accrued dividends will

not be paid. However, for Christmas Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

5. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Money Market accounts, there is a minimum daily balance required to avoid a fee for the dividend period. If the minimum daily balance is not met during the dividend period, there will be a fee as stated in the Schedule of Fees and Charges. For Share, Savings Revolution, Christmas Club, IRA, Money Market, Checking, and All Star Student Checking there is a minimum average daily balance required to obtain the annual percentage yield for the dividend period. If the minimum average daily balance is not met, you will not earn the stated annual percentage yield. For Share, Christmas Club, IRA, Money Market, Checking, and 5 Star Checking accounts using an average daily balance method, dividends are calculated by applying a periodic rate to the average daily balance in the account for the period. The average daily balance is determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period.

6. ACCOUNT LIMITATIONS —For a Christmas Club account, the available balance will be transferred to your Share account on or after November 1 and the account will remain open. You may be charged a withdrawal fee of \$5.00 for each withdrawal from the account. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Money Market accounts, you may write no more than three (3) checks per month from this account. For IRA, Checking, All Star Student Checking, and 5 Star Checking accounts, no account limitations apply.

7. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, item, ATM transaction and one-time card debit transaction (if member has consented to Extended Coverage for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check or item. You may consult the Membership and Account

Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the check, item or transaction. If we have approved a Courtesy Pay Limit for your account, such fees may reduce your approved limit. If an item is returned because the available balance in your account is not sufficient to cover the item and the item is presented for payment again, we will charge a Return Item (NSF) Fee each time we return the item because it exceeds the available balance in your account. If, on representation of the item, the available balance in your account is sufficient to cover the item we may pay the item, and, if payment causes an overdraft, charge a Courtesy Pay Fee. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to Extended Coverage in order for the transaction amount to be covered by the Credit Union's Overdraft Protection Plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for extended coverage and the Schedule of Fees and Charges.

8. BONUS — For 5 Star Checking account, you will receive a reward of \$2.00 for each calendar month in which you meet the minimum service requirements as listed for this account in section 1 of this disclosure. If you do not meet all of the requirements during a calendar month, the reward will not be paid for that period. However, you will automatically receive the \$2.00 reward for the first calendar month after the account is opened regardless of whether all minimum service requirements are met.

You will also qualify for a one-time bonus payment of \$25.00 the first time you meet all of the 5 Star Checking minimum service requirements during a calendar month along with a loan rate discount of 0.25% off a new loan. Existing loans, mortgages and credit cards do not qualify. The loan application must be received after the 5 Star Checking account is opened and must meet the qualifiers in section 1 to receive the discount. Loans are eligible for review at any time and the discount may be forfeited at any time during the life of the loan if the qualifiers are not met. This bonus offering may be discontinued at any time.

9. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) and pay a nonrefundable membership fee as set forth below.

Par Value of One Share	\$25.00
Number of Shares	1
Membership Fee	\$1.00

10. RATES — The rates and fees provided in or with the Rate Schedule are accurate and effective for accounts as of the last dividend declaration date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate and fee information on your accounts, please call the Credit Union.

ACCOUNT DISCLOSURES									
----------------------------	--	--	--	--	--	--	--	--	--

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Share Certificate accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

2. DIVIDEND PERIOD — For each account, the dividend period is the account's term. The dividend period

begins on the first day of the term and ends on the maturity date.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends are stated in the Rate Schedule.

4. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

5. ACCRUAL OF DIVIDENDS — For Share Certificate accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Share Certificate accounts, if you close your account before accrued dividends are credited, accrued dividends will not be paid.

6. TRANSACTION LIMITATIONS — For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. After your account is opened, you may make withdrawals subject to the early withdrawal penalties stated below.

7. MATURITY — Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.

8. EARLY WITHDRAWAL PENALTY — We may impose a penalty if you withdraw funds from your account before the maturity date.

a. Amount of Penalty. For Share Certificate accounts, the amount of the early withdrawal penalty for your account is 180 days' dividends.

b. How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.

c. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
- (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.

9. RENEWAL POLICY — The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty.

10. NONTRANSFERABLE/NONNEGOTIABLE — Your account is nontransferable and nonnegotiable.

11. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) and pay a nonrefundable membership fee as set forth below.

Par Value of One Share	\$25.00
Number of Shares Required	1
Membership Fee	\$1.00
